

# ***FEAR LEVEL CORRECTION***

We found a mistake after sending the book to press. The error occurs on pages 63 and 100 where we talk about the Fear Level. The penalty to Fear checks is -1 for each Fear Level after 2 (-1 at Fear Level 3, -2 at Fear Level 4, -3 at Fear Level 5, and -4 at Fear Level 6 (a Deadland)).

We also added this note under Creatures on page 179: "Fear: Supernatural creatures are born of the Reckoning and ignore Fear Level penalties."
